

YOUR APPLICATION FOR SUBDIVISION

These background notes will assist you in preparing your application for subdivision. If you have any questions about our requirements, please call us for assistance.

Your application for subdivision must contain the following in order to be accepted for review:

1. APPLICATION FOR SUBDIVISION FORM (AR 44/2002 Schedule Form 1)

An application for subdivision approval may be made only by the registered owner of the land that is the subject of the application or a person authorized to apply on the owner's behalf (Section 4(3) of the Subdivision and Development Regulation).

Parts 1 to 13 of the form must be completed. If a part does not seem to apply to your land or the proposed subdivision, please write "not applicable".

If you are submitting the application on behalf of the registered owner, it is essential that one of the following be submitted:

- (a) a completed part 13 of the form, or
- (b) a note, signed by the registered owner and specifically authorizing you to act on their behalf regarding the proposed subdivision.

2. APPLICATION FEE: (Effective June 15, 2014)

- (a) \$1200.00 for 1-2 lots
- (b) \$225.00 per lot thereafter

except for public utility lots and reserve lots (municipal, school, environmental, municipal and school reserves) for which there are no lot fees. Any remaining part of the existing property is considered a lot.

There is a flat fee of \$500.00 for applications to separate titles to lots shown on a plan of subdivision registered before July 1, 1950.

Once an application has been accepted for review and a file has been opened, no refund of fees will be granted.
